

Spring 2019 4v4 Game Protocol

Mites:

- All game slots **are 1 hour** in length
- 4 players and 1 goalie will be on the ice per team
- 3 minute warm up
- **Three 14 minute periods** (running time)
- Line Changes: with horn to signal line change **every 2 minutes**
- Penalties: Referee will take player off the ice (during play) and they will sit the rest of the shift. A new player can come out for them.
- All games are half ice
- After a goal is scored, the team that was scored on will play it out of their net and the team that scored needs to **back up to half line.**
- The score is not be recorded
- Music will be played during play.
- **Parent volunteers are welcomed for benches and scorekeeping box**

Squirt, Peewee & Bantam:

- All game slots **are 1 hour** in length
- 4 players and 1 goalie will be on the ice per team
- 3 minute warm up
- **Three 14 minute periods** (running time)
- Line Changes: with horn to signal line change **every 2 minutes**
- Penalties: If referee calls a penalty, the player that had the penalty against them will take a penalty shot from the center ice dot. All other players line up on blue line behind shooter at center. If player does not score, the play remains live.
- **Off-sides for Squirts will be closely watched and called when possible.** If whistled from a referee, the teams must dump the puck down the opponents end and play remains live.
- After a goal is scored, the team that was scored on will play it out of their net and the team that scored needs to **back up to the blue line.**
- No body checking for any age group (including Bantams)
- Music will be played during play.
- **Parent volunteers are welcomed for benches and scorekeeping box**
