

The Pond Ice Rink will reopen June 1, 2020 with focus on and adhering to the Governor's guidelines and protocol. We have also decided on a two phase approach which will help all adjust to the new protocol and safety of our customers. As we reopen on a limited basis, the following programming options **will not** be available until August with date TBD

Public Skating

Learn to Skate

Learn to Play Hockey

Snack Bar Services (Reopening Date TBD)

Birthday Parties (only if private rental)

Phase 1: (June 1 – TBD)

All participants should be informed and aware of the following Covid Protocol we are implementing at The Pond. We do our part, you do your part.... Together we've got this!

- Please follow all signage regarding entering and exiting, social distance markings etc.
- All online sign-ups will require a signed waiver.
- At this time there are a limited number of skaters (15) on the ice surface. Coaches are off ice in marked players boxes. If a coach is on ice he is included in the 15 count max.
- Arrive no sooner than 15 mins.prior to your session to avoid congestion in the lobby and at our check in desk. All skaters will check in at front desk.
- Only one parent per skater is allowed in to assist younger skaters. Parent can sit in marked bleachers or preferably wait outside.

- To protect you, our employees will be wearing masks and gloves. We ask that our customers wear masks in all public areas. Athletes are not required to wear masks while training.
- Locker Rooms are not available at this time. We ask that you come dressed for your session and bring only what personal items are necessary into the building. Equipment will not be stored in locker rooms. Personal water bottles are allowed on boards observing social distancing.
- Music can be played during a freestyle session. Skaters will have access to sanitary wipes to wipe down the media after each use. Please dispose of immediately.
- Our lobby/ benches will be spaced out and marked according to social distancing standards.
- Only skaters are permitted in the lobby and are asked to leave the building immediately after their session.
- As you enter / exit the ice, please adhere to social distancing. Coaches dismiss skaters accordingly.
- Coaches must monitor players to ensure no spitting or sharing of water bottles
- No huddle meetings. Get together observing social distance outside the building.
- All warm ups can take place outside the building in the grass area.
- Turf (outside and upstairs) is available for rent. Social distancing standards in any off ice training must be strictly adhered to.
- All Treadmill and Synthetic training for private/ small groups will enter and exit at Side entrance.
- As many doors as possible will be open with doorstops in order to minimize touchpoints.
- **Phase 2** will adjust to new information and protocol standards as dictated by our Governor and the local Health Department.

Our focus will be staffing and implementing Covid protocol to keep our customers and employees safe.

We couldn't be happier to see familiar faces,
